

## **Financial Content Writer - English**

Job Title:	Financial Content Writer for American English Website
Location:	Full Time position based in Madrid, Spain
Employer:	<b>Yukon Software Company</b>
Website:	<b>Investing.com</b> – The Leading Financial Portal

**Investing.com** is the world's fastest growing financial portal, currently ranking in the industry's top 5 sites globally. With its 29 language editions and apps, Investing.com offers real-time quotes, charts, up-to-date financial news, technical analysis and financial tools.

We are looking for a full-time Financial Content Writer to develop and create daily, strategic commentary about the U.S. and global financial markets with a regular focus on equities.

### **Job Summary:**

The ideal candidate will have a strong interest in and deep knowledge of the financial markets, in particular—but not limited to—the U.S. stock markets.

The successful candidate will be able to write at least one insightful piece of market-related opinion and/or analysis per day while at the same time generating additional ideas for future posts as well as researching and drafting upcoming stories for quick turnaround and publication. Ability to produce periodic, bigger picture market-related stories is also critical.

The successful candidate will be capable of self-directed work but will report directly to the editor-in-chief for guidance and feedback.

### **Qualifications:**

- Excellent, proven, written and verbal communication skills in American English (at mother tongue level) –**MUST**
- Understanding and appreciation of U.S. equity/financial markets – **Must**
- Understanding and appreciation of global financial markets (Currency/Commodity/Indices as well as Equities) – **Major Advantage**
- Previous financial or business reporting and/or writing experience – **Strong Advantage**
- Past Trading experience – **Major advantage**
- Knowledge of Technical Analysis - **Major advantage**
- Degree in journalism, English or communications, or degree in business, management or finance – Advantage
- Ability to work both independently and as part of a team

- Ability to successfully manage ongoing multiple priorities

**Join us and**

- ✓ Influence over 12M high profile traders and investors around the world
- ✓ Enjoy excellent benefits and a high-energy work environment
- ✓ Be a part of one of the fastest growing websites in one of the the most competitive markets in the world
