

## ThaiSiteContent Manager

We are looking to recruit an experienced content manager to be responsible for the content, quality, promotion and community of the Thai website. This position will be on a freelance basis and is ideally suited to a Thai national, based anywhere in Thailand, who is looking to work a full-time schedule from home.

Investing.com is a global financial portal and internet brand composed of 29 editions in 22 languages and mobile apps for Android and iOS that provide news, analysis, streaming quotes and charts, technical data and financial tools about the global financial markets. Investing.com has over 160 employees in offices throughout the world including Madrid, Nicosia, and Tel Aviv. With over 12M monthly unique users, it is now in the top 10 financial sites worldwide.

### **What you'll be responsible for:**

- Website content translation, editing and localisation
- Searching for local news sources
- Sourcing and collaborating with contributing writers
- Website QA & technical functionality validation
- Forming partnerships with different companies in the finance field
- SEO & online marketing activities
- Promoting our web tools for others to adopt and use on their sites
- Social media management

### **You are:**

- Native Thai
- Experienced as a Digital Content Manager, Translator, Writer, Journalist or Editor
- Proficient in English, both verbal and written
- Knowledgeable about economic and/or financial markets terminology
- Experienced in online marketing - advantageous
- Experienced in SEO - advantageous

To apply for this position please send your CV and a brief explanation in English as to why you'd be suitable for this role to [recruitment@investing.com](mailto:recruitment@investing.com).
